The end of the year

The end of another academic year is upon us and it is once again the time for goodbyes. The past couple of weeks have been filled with celebratory events and the summer concerts were a real showcase of the talent, enthusiasm and sense of community that we have built across our school. Our school is a special place where great things happen every day and together we live out our motto of 'Learning, Caring, Sharing'.

This doesn't happen by itself—it is down to the hard work, determination and dedication of each and every member of the school community: children and their families, staff and volunteers and the wider community who support us in so many different ways. I would like to take this opportunity to thank each and every one of those people for what they have given to the community to make it what it is.

For all those children and families leaving us this week, we wish you all the best for the future and for everyone we hope you have a relaxing, fun filled summer break.

## Good bye staff

This week we say 'good bye' to Mrs Long, our SENDCo who has worked across both our school and the junior school for the last four years. We are incredibly grateful to Mrs Long for what she has done for so many children and families in supporting them through their learning journeys across the two schools. She moves on to work at York St John University supporting the next

generation of teachers as they start their careers and I'm sure they will benefit hugely from her knowledge and expertise.

We also say farewell to Mrs Fleming who has worked as a member of our MSA team this year. We are very grateful to her for her contributions in making lunch times successful and hope that we will continue to see her in and around school in a variety of capacities.
