We Pickering Infant and Nursery School are the data controller for the purposes of the Data Protection Act. We collect information from you and your child and may receive information about your child from a previous school and the Learning Records Service. We hold this personal data and use it to:

- Support teaching and learning;
- Monitor and report on progress;
- Provide appropriate pastoral care, and
- Assess how well your school / educational setting is doing.

Information about you and your child that we hold includes contact details, your child's national curriculum assessment results, attendance information, any exclusion information, where your child goes once they leave our school and personal characteristics such as your ethnic group, any special educational needs you may have and relevant medical information.

We will not give information about you or your child to anyone outside Pickering Infant and Nursery School without your consent unless the law and our rules allow us to do so.

We are required by law to pass some of your information to the local authority, North Yorkshire County Council, and the Department for Education (DfE) and where appropriate we will send to relevant national health service personnel (e.g. school nurses) information on individual pupils changing school (or address) to ensure continuity of health care. If a child moves to another school we will ensure a handover of appropriate data we hold, and we will cooperate with other schools s/he has attended to endeavour to complete any outstanding issues.

DfE may also share pupil level personal data, which we supply to them, with third parties. This will only take place where legislation allows it to do so and it is in compliance with the Data Protection Act 1998. Decisions on whether DfE release this personal data to third parties are subject to a robust approval process and are based on a detailed assessment of who is requesting the data, the purpose for which it is required, the level of sensitivity of data requested, and the arrangements in place to store and handle the data. To be granted access to pupil level data, requestors must comply with strict terms and conditions covering the confidentiality and handling of data, security arrangements, and retention and use of the data. If you want to see a copy of the information we hold and share about you or your child then please contact Pickering Infant and Nursery School.
