Foundation Stage Family Phonics Fun

It has been wonderful to welcome parents of our nursery and reception children into school this week. Children, parents and staff in Reception had two busy and fun filled mornings on Tuesday and Thursday learning a lot about phonics during their open mornings.

Children, parents and staff in Nursery had action packed sessions filled with lots of learning through play, including lots of listening and sound games supporting children with the start of the phonics learning journey. Being able to hear and distinguish between different sounds as well as making different sounds with bodies, voices and objects are key parts of the skills that children need in order to learn to read and write.

Coming into School in the Mornings

Could we please remind everyone to use the correct entrance when bringing your child into school on a morning. We have noticed that one or two parents have started coming through the school by the main entrance which affects access to the office. Only Ladybird parents should use the front door to bring their child into school

The correct entrances are:

- 😊 Ladybird Class - Main front door
- 😊 Butterfly Class - West playground door
- 😊 Squirrels, Owls, Badgers, Hedgehogs and Rabbits - Assemble East playground

Doors open at 8.50am

Morning Routines

It is great to see so many of our children coming into school confidently and independently in Year One and Year Two. In order to help all of our children in developing their independence, we would ask that parents leave children in the

playground once they are lined up, in Year One and Year Two. Please come into the cloakroom to write any changes to usual pick up arrangements on the whiteboards and, if you are wanting to look at the classroom, displays and books then please speak to your child's class teacher about popping back into school after collection at the end of the day.

Relief Midday Supervisors

We are always looking for relief Midday Supervisors who are wanting to work as part of our staff team to support and supervise our children during lunchtimes. Relief MSAs are needed to cover when other MSAs are unwell or when they are needed to work in other roles in school. No experience is necessary as our friendly team will support and nurture you into the role but if you have an hour or two to spare at lunchtimes during the week then please let the school office know.

Pupil Information, Consent and Confidential Information Forms

Your child will be bringing home a new Pupil Information Form, Consent form and Confidential Information

form and would please ask you to complete and return these to the school office as soon as possible. This is to bring our records in line with new GDP Regulations.

Food Intolerance and Allergy Forms

Following the implementation of 'Natasha's Law' which comes into force in October 2021 at which time it will be a legal requirement that NYCC County Caterers hold written information regarding dietary and food intolerances for every child in school. To comply with this new legislation we sent out forms for completion and return. If you have not yet returned your form please do so as a matter of urgency. **We need to hold a form even if your child does not have any allergy or intolerance.** A form is attached for your use or alternatively they can be obtained from the school office.
