

Pickering Community Infant & Nursery School

School Newsletter No 1

9th September 2022

Welcome to a new school year!

We have had a great first week in school and it has been lovely to welcome children and families to or back to school. Children in Nursery have enjoyed seeing their classroom and meeting the staff, who are looking forward to them starting or continuing their learning journey with us. Children in Reception, Year One and Two have already had a busy start to the school year. I would like to thank all the children and my colleagues for all their kindness, help and support this week as I settle in to my new role. I've been made to feel very welcome and look forward to helping to lead the school whilst Mrs Gillam takes her maternity leave and further strengthening our links within the Infant and Junior schools. There are some photos below which give a glimpse into school life this week. You can keep up to date with what's going on in school through social media, too. Further details are on the last page.

A close partnership between home and school is vitally important for us in working to achieve the best for all of our children. By working together and communicating openly, we can ensure that we do our very best for each child and their family. We will always welcome communication with you about your child so if you do have any queries or comments, please do get in touch with us.

Parking

A quick reminder for all parents that the staff car park in front of school is for staff only. There is strictly no stopping or parking in the bus lanes and parking tickets for offenders can be issued by parking wardens. It is essential these are clear at the start and end of the school day. We know that parking on the streets around school can be difficult but please remember that we have the parking permit system in place to help with this. For a charge of £5, an annual permit can be purchased for Eastgate car park for parking until 9.15am and between 3.20pm and 3.35pm during term time. Please contact the school office if you would like to purchase a permit.

A huge **THANK YOU** to all of our parents who make use of this scheme or who ensure that they park safely and courteously around school.

Clothing in school

Children in Reception, Year One and Two will need a PE kit in school. Reception children and any children

new to school in other year groups new to school will soon bring home a school PE bag, generously funded by our Friends of School. Children will need a named, plain, round neck white t-shirt, named, plain black or blue shorts and/or tracksuit bottoms and suitable named footwear for PE outside, preferably with Velcro fastenings.

Children in Year One and Two will also need their Forest School kits in school. As we move into autumn, we ask that children have a named pair of wellingtons that fit them, a waterproof coat and, ideally, waterproof trousers. If you have any difficulty with these, please contact us and we'll do what we can to help so that children can get fully involved in their outdoor learning.

Plea

If anyone has any socks that are no longer in use at home but could be used as spares in school we would very much welcome any donations please.

Attendance

Good attendance and punctuality are important to a child's success in all aspects of school life. It has an impact on progress and achievement as well as friendships. Thank you to all of those parents who ensure that they arrive at school on time every day — it is always trickier on cold, wet mornings but almost all of our children arrive on time, prepared to learn, every day!
