"I can see why my child loves the korma so much! I have tried to recreate the recipe at home using many different products from the supermarket but none of them taste as nice as this."

Our meals adhere to the Government's mandatory school food standards, which ensure children get the energy and nutrition they need across the whole school day.

Please be aware that we are unable to guarantee a completely food allergen-free environment, as foods containing allergens are used in the kitchen. For more information and to view our allergen matrix please visit: northyorks.gov.uk/education-and-learning/school-meals or scan the QR code.
